

## Summer Associate

**Dive into an immersive experience at James Bates, where your skills and personality are nurtured, supported and celebrated. Summer associates are exposed to real-world situations and hands-on learning opportunities.**

If exploring varied realms of practice, engaging deeply with colleagues and clients, and being enveloped in a culture that breeds respect, integrity and excellence resonates with you, join James Bates as a summer associate!

Reach out to our Director of Human Resources, Christi Simmons for more information on our program.
