About William

Willie Sizemore is a litigator focused on serving agricultural, agribusiness, and other commercial clients throughout Athens and Middle Georgia. Willie's deep appreciation for the agricultural industry fuels his goal to help farmers, agribusinesses, and local governments navigate complex legal landscapes, ensuring their businesses stay resilient in the face of challenges.

In his work with clients, Willie takes pride in finding that perfect case or argument that best serves his clients' interests, especially in high-stakes cases. This drive to uncover the ideal solution is fueled by his competitive spirit and experience in intense environments, including his success as a finalist in Baylor Law's Top Gun National Mock Trial Competition at Baylor University, one of the nation's toughest and most prestigious advocacy competitions. These experiences taught Willie how to thrive under pressure and sharpened his skills in crafting arguments that meet his clients' critical needs.

Willie understands that his clients' greatest concerns often revolve around preserving their business and livelihood in the face of legal adversity. Willie's approach to practice is rooted in his personal philosophy: "Treat clients the way you want to be treated."
